126

ITAMA FIFTYFIVE

Now built by the Ferretti Group, this remodelled open racer has a softer side but has lost none of her energy

152

FAREWELL

Built in the Southern Hemisphere the first Southern Wind 100 Deck Saloon is a sleek, powerful and comfortable passagemaking yacht

162

JEMASA

This new Hakvoort 50 metre will soon be joined by her own support boat – a winning combination in the charter market

features

CNI NEW PROJECTS

We discuss the wider role of the broker with Camper & Nicholson's International and look at the new projects the company is involved in.

54

DESIGN ICON

The Icon 62 will be the first yacht produced by a new facility that is taking a revolutionary modular approach to design and construction

218

NUVOLARI-LENARD

The duo behind the successful Italian design company reveal how they entered the superyacht market with their sustainable designs and sense of style
